## A Note from the Teacher

It is hard to believe we are already in November! It is amazing to see the changes in the trees and the changes in our learning! Currently, we are working on identifying our uppercase letters and knowing the sound that they make. We also have an action for each letter. Ask your child to teach you the sounds and actions at home!

We are officially into the flu season. Please help our health efforts at home by discussing and stressing the importance of washing hands and coughing into your elbow to help our class stay healthy! Thank you.

## Dates to remember
