A Note from the Teachers

It is good to be back in 2019! It's beginning to feel a lot like Winter...

As we start off the new year, please make sure to send your child with warm outdoor gear **each day**. We do our best to go outside each day that is safe (looking at temperature and wind chill). If your child is in need of any outdoor gear, please let a teacher know and we will find the appropriate size for them. If children do not have adequate outdoor gear, they will stay inside with a teacher during outdoor play time. Thank you!

Dates to remember

Jan 2-Back to School

Jan 21-No School

Jan 24-Book Orders Due
