

# Miss Mikaela's Preschool News

## A Note from the Teacher

September was such a fun month of preschool! We have learned so many things in such a short time and cannot wait for more!

This month, we will shift our focus from *personal* safety to *fire* safety. Please talk with your child at home about your family's evacuation plan and what they can do to stay safe. Thank you for discussing these important topics at home to add to our conversations from preschool!
